> <p><p> Disclaimer: Well, nothing about this can really be linked to NGE unless you know the series and its symbolisms. So, therefore, you can say it was *inspired* by it. Neon Genesis Evangelion is credited to AD Vision and GAINAX productions.

> <p><p> My insanity plea: PLEASE review. I *like* reviews. Okay. That's enough begging for me. ^^;; Just read the poem. You may actually *like* it. Won't *that* be a shocker?

> <p><p> Little Broken World

Where Insanity cannot reach it's destructive hands,

Where our lives cannot end,

Where our boundless fate's terrors begin,

It is your duty

Asylum of nothing's beginning,

And nothing's end

Sweet siren of death's distorted little broken world

A world of destiny,

A world of silent cries

Birth,

Death

Start a new beginning,

Where we will reign,

Over a desolate little broken world

Our heads are clear,

Our minds are broken,

Our world is here,

And nothing more

But our cries are heard by nothing's beginning,

And nothing's end

An eternity of sorrow,

An eternity of lives

Asylum of nothing's beginning

And nothing's end

End
